## Eliminating Language Barriers

At Atlas Language Services, Inc. our goal is to help our clients expand their global communication presence. Human, professional, and dedicated translators are at our core to ensure the highest quality and comprehension for the end user.

Our translation team is screened very carefully to ensure they meet the proper qualifications to produce flawless translations for every client. A translation is only as good as the credentials of the translators, so it is imperative that we use the most qualified translators.

## Marketing & Advertising

We understand that consistency is the key when marketing your product to consumers. Today, more than ever, companies are trying to expand market share by bringing their brand to new markets.

So when you have a new marketing campaign, ad copy, website, brochure, app or any other type of promotional material, Atlas Language Services, Inc. is your language partner for bridging those gaps.

## Formatting, Layout & Desktop Publishing

You need a team who understands translation and design when publishing multilingual documents such as books, brochures, websites, etc. At Atlas Language Services, Inc. you can be assured that our team will help include a design that will meet your needs, while staying true to your original design and branding. Some languages use a different alphabet, read right to left or may even grow by 20 - 30%. Our team addresses all aspects of your translation needs including page layout, regardless if it is print or digital media.
